

SUSTAINABLE DESIGN WITH CONCRETE SOLUTIONS

Join NE Ohio Concrete Association and your fellow Architects and Engineers on Thursday, February 16, 2012 to learn more about using concrete in specifying and designing. We are excited to have a can't miss presentation on designing road rehabilitation with concrete. We are also continuing the popular presentations by the engineers and owners highlighting local projects that utilized concrete. The additional sessions will provide an in-depth look at specifying and designing by topic. Finally, we have included requested topics that have not been covered in the past, such as decorative concrete.

Case studies will feature:

- ODOT Updates and Value Engineering
- McDonalds choosing Concrete over Asphalt
- School Officials choosing concrete parking
- Concrete Overlay for Road Rehab
- RCC as a pavement solution

There will be detailed sessions on:

- Decorative Concrete
- Roundabout and Intersection Design
- Concrete Street Design, including Overlays
- Concrete Parking Lot Design

SUSTAINABLE DESIGN WITH CONCRETE SOLUTIONS

THURSDAY FEBRUARY 16, 2012

**RSVP to: Wayne Moening
NE/NW Ohio Concrete Director

SUSTAINABLE DESIGN WITH CONCRETE SOLUTIONS

THURSDAY FEBRUARY 16, 2012

**5 PDH FOR ENGINEERS
MATERIALS AND LUNCH
FOR ALL ATTENDEES**

**Middleburg Heights Community Center
16000 East Bagley Road
Middleburg Heights, Ohio 44130
8:00—3:30**

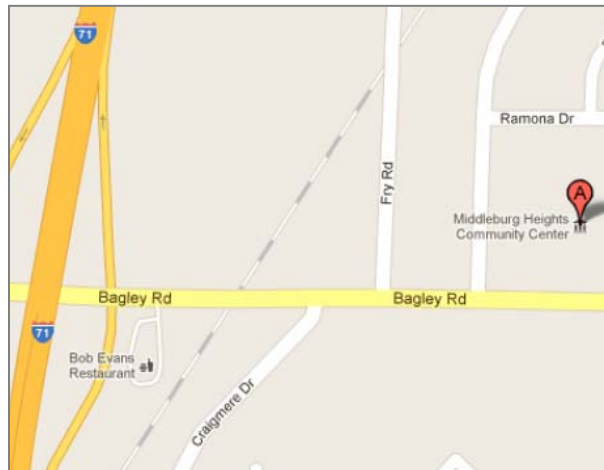

SCHEDULE

- 7:45 - 8:30 am Registration
- 8:30 - 8:40 am Opening Comments and Introduction
- 8:40 - 9:15 am ODOT Updates and Value Engineering
- 9:15 - 10:15 am Road Design, Including Overlays
- 10:15 - 10:30 am Break / Find Breakout Room
- 10:30 - 11:30 am Decorative Concrete Design
- 11:30 am - 12noon Seven Hills Concrete Overlay Case Study
- 12 noon - 1:00 pm Hot Buffet Lunch
- 1:00 - 2:00 pm Concrete Parking Lot Design with ACI 330
- 2:00 - 2:20 pm New School Design with Concrete Case Study
- 2:20 - 3:15 pm Intersection and Roundabout Design
- 3:15 - 3:30 pm RCC Pavement Design Case Study
- 3:30 - 3:45 pm Closing

MAP & DIRECTIONS

The seminar will be held at the Middleburg Heights Community Center, located at 16000 East Bagley Road, just off of I-71 (Exit 235) in Middleburg Heights, OH (44130).
