2017 NW Ohio Concrete Project Award Entry Form

Awards Program Description

The Ohio Concrete Project Awards Program is designed to recognize and honor designers who have made the investment to select concrete pavement for their project. Ohio Concrete members are encouraged to submit projects for consideration that exhibit the high value and benefits that concrete pavement offers its owners.

Award Criteria

1. Project should have the involvement of one of the Ohio Concrete Producer or Contractor members
2. Primarily the award is for pavements and parking lots, however any exterior flatwork project may be considered
3. All sections of the nomination form are completed
4. Include a 5"(h) x 7"(w) color print or electronic pictures of the project (aerial photo preferred)
5. Project completion in last two years (2016/2017)

Judging

Project submittals will be evaluated by Ohio Concrete Regional Board Members. Award winners will be notified by October 30, 2017. The award goes to the Project Designer and will be presented to them at the 2017 Fall Concrete Seminars in November. Winners will also be recognized at the Ohio Concrete Annual Meeting Banquet on December 7, 2017 at the Hilton Columbus/Easton.

Project Submittals

The nomination form represents the minimum requirements for submitting a project in the awards program. Please include any additional information you feel the review panel would need to evaluate your project. When completing the nomination submittal, please be specific with information and description.

Important Considerations
