

Mechanics' Liens and Collection Strategies Seminar

Understanding, Protecting and Pursuing Your Rights and Remedies

DATE: May 8, 2018

TIME: 3:00—4:30 p.m.

LOCATION: ODOT District 12 Headquarters
5500 E. 98th Street
Garfield Heights, OH 44125

FEATURING: Lowell Woods, Jr., a Partner and Construction Law Attorney with
Taft, Stettinius and Hollister (Dayton, OH)

Construction Lien Seminar

Understanding Mechanic's Liens, Protecting Your Rights and Collection Strategies

Where a contractor is faced with a payment dispute, a mechanics lien can be a critical tool in leveraging payment and, in certain circumstances, it may be the only means to get paid.

Join us on May 8th for a FREE seminar, hosted by NE Ohio Concrete and featuring Lowell Woods, Jr., a Partner and Construction Law Attorney with Taft, Stettinius and Hollister Dayton office.

The seminar will cover in detail the rules and requirements for mechanics' liens for both private and public construction. Attendees will learn alternative collection strategies that can be used in conjunction with liens to further enhance your ability to get fairly compensated.

MECHANICS' LIENS AND COLLECTION STRATEGIES SEMINAR

MAY 8, 2018—GARFIELD HEIGHTS, OH

The cost to attend is Free, but you must be pre-registered no later than
Friday, May 4th so we may plan accordingly
