For the Love of Concrete 2026

*OUR **14TH** ANNUAL PRESENTATION*

NE OHIO SEMINAR

TUESDAY, DEC. 1

9:30 AM - 3:30 PM

MIDDLEBURG HEIGHTS BRANCH - MEETING ROOM A/B
Cuyahoga County Public Library
16699 Bagley Road, Middleburg Heights, Ohio 44130

Join us for an engaging, informative, and entertaining day of concrete presentations designed for the Architecture, Engineering, and Construction (AEC) community! This seminar will explore a variety of timely topics and emerging innovations shaping the concrete industry, including design processes, advancements in construction materials, a local research project, the latest developments in 3D concrete printing, and an ethics presentation for Professional Engineers. Beyond the technical presentations, we'll take time to recognize the contributions of our industry's military veterans and celebrate outstanding achievement through our **2026 Excellence in Concrete Award.** Whether you're looking to expand your technical knowledge, discover new ideas, or connect with fellow industry professionals, this is a day you won't want to miss!

TOPICS TO INCLUDE:

- Ethics
- Specifying High Quality Concrete for Slabs on Grade
- ODOT's new Pavement Material Selection Process
- Project of the Year/Veterans Recognition
- Eastlake Power Plant Coal Ash Refining
- 3D Concrete Printing Project
- (Open Topic)
